- REQUEST -

Computer Science Club

REQUEST DATE: SEP 6TH

Requested by Alfie Terry

- My objective is to allow a wider knowledge of computer science to students attending Trinity school.
- Help bring a new club for computer enthusiast to attend, and a place to spend Lunch or break

Main reasoning

- I'm Just boring to others and can't really find any other people other than me interested in computers in my tutor
- I want to be able to open an area for me and others to find people like me and so and so
